I would like to express my heartfelt gratitude to **C.Rama mohan Rao,Asst.Professor** for their invaluable guidance, encouragement, and constant support throughout the completion of this Practice session record. Their insightful suggestions and expert advice greatly enhanced my understanding of **"UNIVERSAL HUMAN VALUES – UNDERSTANDING HARMONY AND ETHICAL HUMAN CONDUCT** "and their practical applications in the field of Computer Science and Engineering.

I am sincerely thankful to **Dr.G.S.N.Murthy, Head of the Department of Computer Science and Engineering**, for providing a conducive environment, necessary resources, and continuous motivation for the successful completion of this lab record.

I would also like to extend my appreciation to the **faculty members and my peers** who actively participated in the practice sessions, sharing their experiences and perspectives, which helped me develop a deeper understanding of **ethical human conduct, empathy, self-awareness, and teamwork**.

Finally, I am grateful to **Aditya college of Engineering and Technology** for giving me the opportunity to learn and practice "**UNIVERSAL HUMAN VALUES – UNDERSTANDING HARMONY AND ETHICAL HUMAN CONDUCT"**, which will guide me in both my personal life and professional career as a responsible and ethical engineer.
